Electives

Complete six electives, of which at least two must be 2nd or 3rd level

We suggest students complete at least 4 units in a subject area different to their degree, preferably a linked sequence of study in the same area. Students with a strong interest in animation should add units in 3-D Animation, Motion and similar units in the Bachelor of Design. More generally your best choices are often found in the subject areas of the Bachelor of Arts. Additional selectable core units can be taken as electives.

If you have applied for or received credit for units as recognition of your prior learning (RPL), it may alter your course pattern and the units you need to undertake.
