D394 BACHELOR OF EXERCISE AND SPORT SCIENCE/ BACHELOR OF BUSINESS (SPORT MANAGEMENT)

FACULTY OF HEALTH

D394 course rules - In order to qualify for the award of Bachelor of Exercise and Sport Science/Bachelor of Business (Sport Management) (D394), students must complete 32 credit points, which must include the following:

16 core units from the Bachelor of Exercise and Sport Science;

15 core units and 1 elective from the Bachelor of Business (Sport Management); and

Completion of HAI010 Academic Integrity (0-credit-point compulsory unit) in first trimester of study.

GENERAL INFORMATION

This course map is a guide only. You must, in addition to using this map, ensure you meet the course rules and structure as set out in the official University Handbook - of the year you commenced your course (deakin.edu.au/handbook). This course map has been created to be used electronically.

Not all units are available in all study periods or mode of delivery. Full time study is typically three to four units (or credit points) each study period – this is a typical enrolment pattern. Part time study is typically one to two units (or credit points) each study period – this enrolment pattern of study will extend the duration of your studies. Trimester 3 is typically an optional study period - unless it's your first study period and/or a compulsory study period for your course (see your course structure in the [Handbook](#)).

Each year's unit offerings options can be found via 'Advanced Unit Search' in the most current year's Handbook.

If you have applied for or received credit for units as recognition of your prior learning (**RPL**), it may alter your course pattern and the units you need to undertake.

Please seek advice from a Student Adviser in StudentCentral if you have any queries or need help understanding your course structure and unit choices.

SPECIFIC COURSE INFORMATION

COMPULSORY ZERO (0) CREDIT POINT UNITS:

When you see a credit point unit that has a co-req (co-requisite) unit listed next to it, this indicates that you need to enrol in the co-requisite unit in the same trimester as the credit point unit. You only need to complete these co-requisite units once in your degree.

For example HSE102 has a co-req: HSE010, this means you need to enrol in HSE010 in the same trimester as HSE102. You would not need to complete HSE010 again in your degree.

The following co-requisite units need to be completed in your degree:

Year 1, Trimester 1 - HAI010 Academic Integrity

Year 1, Trimester 2 - HSE010 Exercise and Sport Science Laboratory Safety
