D333 BACHELOR OF EXERCISE AND SPORT SCIENCE/ BACHELOR OF NUTRITION SCIENCE

FACULTY OF HEALTH

D333 course rules - In order to qualify for the award of Bachelor of Exercise and Sport Science/Bachelor of Nutrition Science (D333), students must complete 32 credit points, which must include the following:

16 credit points of exercise core units

15 credit points of nutrition core units

One credit point of HSN elective units

HAI010 Academic Integrity (0-credit-point compulsory unit)

HSE010 Exercise and Sport Laboratory Safety

HSN010 Food and Nutrition Laboratory Safety

SLE010 Laboratory and Fieldwork Safety Induction Program

GENERAL INFORMATION

This course map is a guide only. You must, in addition to using this map, ensure you meet the course rules and structure as set out in the official University Handbook - of the year you commenced your course (deakin.edu.au/handbook). This course map has been created to be used electronically.

This course map is a typical enrolment pattern for full time study. To study part time you would typically undertake two or fewer units each trimester/semester, which will extend the duration of your studies. Trimester 3 is optional.

Each year's unit offerings options can be found via 'Advanced Unit Search' in the most current year's Handbook.

If you have applied for or received credit for units as recognition of your prior learning (**RPL**), it may alter your course pattern and the units you need to undertake.

Please seek advice from a Student Adviser in StudentCentral if you have any queries or need help understanding your course structure and unit choices.

SPECIFIC COURSE INFORMATION

Compulsory zero (0) credit point units/programs/modules: Detailed below;

When you see a credit point unit that has a co-req (co-requisite) unit listed next to it, this indicates that you need to enrol in the co-requisite unit in the same trimester as the credit point unit. You only need to complete these co-requisite units once in your degree.

For example: HSN106 has the co-req HSN010, this means you need to enrol into HSN010 in the same trimester as HSN106. You would not need to complete HSN010 again in your degree.

The following co-requisite units need to be completed in your degree:

Year 1, Trimester 2 - HAI010 Academic Integrity (0-credit- point compulsory unit) & SLE010 Laboratory and Fieldwork Safety Induction Program (0 credit point)

Year 1, Trimester 2 - HSE010 Exercise and Sport Science Laboratory Safety (0 credit point)

Year 2, Trimester 2 - HSN010 Food and Nutrition Laboratory Safety (0 credit point)
