## GENERAL INFORMATION

This course map is a guide only. You must also ensure you meet the course rules and structure as set out in the official [University Handbook](#) of the year you commenced your course. This course map has been created to be used electronically.

- Full time study is typically three to four units (or credit points) each study period
- Part time study is typically one to two units (or credit points) each study period – part time study will extend the duration of your studies.
- Trimester 3 is typically an optional study period - unless it's your first study period and/or a compulsory study period for your course.

Unit options can be found in the '[Advanced Unit Search](#)' in the most current year's University Handbook.

If you have applied for or received credit for units as recognition of prior learning (RPL), it may alter the units you need to study.

Please seek advice from a Student Adviser in StudentCentral if you have any queries or need help understanding your course structure and unit options.

## SPECIFIC COURSE INFORMATION

Compulsory zero (0) credit point units/programs/modules: ELN010 Literacy Test (0 Credit Point), ELN011 Numeracy Test (0 Credit Point) and AAI108 Academic Integrity (0-credit points compulsory unit).

\*If students are seeking to undertake the Inclusive Education or IBPYP elective streams you will need to move the elective unit currently located in Year 4 Trimester 2. To ensure a full load in Year 4 Trimester 2 you can move forward ESM410, which is an online unit and will therefore be more manageable around placements than any other level 4 unit. If you would like to discuss this further please liaise with the Course Director.
