### GENERAL INFORMATION

This course map is a guide only. You must, in addition to using this map, ensure you meet the course rules and structure as set out in the official University Handbook - of the year you commenced your course ([deakin.edu.au/handbook](http://deakin.edu.au/handbook)). This course map has been created to be used electronically.

This course map is a typical enrolment pattern for full time study. To study part time you would typically undertake two or fewer units each trimester/semester, which will extend the duration of your studies. Trimester 3 is optional.

Each year's unit offerings options can be found via 'Advanced Unit Search' in the most current year's Handbook.

If you have applied for or received credit for units as recognition of your prior learning (**RPL**), it may alter your course pattern and the units you need to undertake.

Please seek advice from a Student Adviser in StudentCentral if you have any queries or need help understanding your course structure and unit choices.
