S589 Course Rules

To qualify for the Graduate Certificate of Information Technology Leadership, students must successfully complete:

- Two (2) core units (totalling 2 credit points)
- Three (3) professional practice credentials
- Completion of STP050 Academic Integrity (0-credit point compulsory unit)

Each Professional Practice credential will assess the performance at a masters (advanced) level in one of the Deakin Graduate Learning Outcomes contextualised to information technology.

This course map is for illustrative purposes only. Students must meet the course rules and unit requirements as set out in the Handbook (deakin.edu.au/handbook). Deakin University reserves the right to alter, amend or delete details of course offerings and other information published herein. Students are advised to check the relevant Handbook online (at the above link) for the most up-to-date information relating to their course structure and available units.
