

Honours Supervision Availability

School of Information
Technology

How to Use This Document

Before reaching out to an academic about supervision for an Honours project, follow these steps:

1. **Find an Expert** – Visit the [Find an Expert](#) page to explore academics and their research areas.
2. **Check Availability** – Use the table on Page 2. to see if the academic is available for supervision in the relevant trimester.
3. **Contact the Academic** – If the academic is available, communicate with them to discuss potential honours projects and confirm their capacity.

Please ensure that you provide the following information when communicating with any potential supervisor so that they can decide whether you have the necessary capability to complete the research project:

- i. Your WAM
- ii. Your target grade (P, C, D, or HD)
- iii. Research areas/topics you are interested in
- iv. Your programming skills
- v. Your research or project experience, if any
- vi. Your CV

We advise to communicate with potential supervisors via both emailing and Teams messaging.

For any questions, please contact sit-research@deakin.edu.au
