## GENERAL INFORMATION

This course map is a guide only. You must, in addition to using this map, ensure you meet the course rules and structure as set out in the official University Handbook - of the year you commenced your course ([deakin.edu.au/handbook](http://deakin.edu.au/handbook)). This course map has been created to be used electronically.

Not all units are available in all study periods or mode of delivery. Full time study is typically three to four units (or credit points) each study period – this is a typical enrolment pattern. Part time study is typically one to two units (or credit points) each study period – this enrolment pattern of study will extend the duration of your studies. Trimester 3 is typically an optional study period - unless it's your first study period and/or a compulsory study period for your course (see your course structure in the [Handbook](#)).

Each year's unit offerings options can be found via 'Advanced Unit Search' in the most current year's Handbook.

If you have applied for or received credit for units as recognition of your prior learning (**RPL**), it may alter your course pattern and the units you need to undertake.

Please seek advice from a Student Adviser in StudentCentral if you have any queries or need help understanding your course structure and unit choices.

## SPECIFIC COURSE INFORMATION

Compulsory zero (0) credit point units/programs/modules: AAI018 Academic Integrity (0-credit-point compulsory unit).

\*\* Students completing minors in Arabic, Chinese, Indonesian and Spanish are permitted to complete 4 cp across any 2 levels, i.e. students may complete 2 credit points at level 2 and 2 credit points at level 3.

^A major or minor sequence is a group of units in a particular area of study taken over the three levels of your course. Each unit is usually worth 1 credit point. A major sequence is made up of 8 credit points, and a minor sequence is made of 4 credit points. Please check the rules of each major and minor sequence to see which units you need to complete to achieve the required credit points.
