Course progress check

- 1 Have you checked the course rules in the Handbook of the year you commenced your studies?
- 2 Have you checked the course progression in StudentConnect?
- 3 Submit this form to the Student Central Hub (Health) or send it via email to health-enquire@deakin.edu.au

Course Rules:

1. Must complete 24 credit points, which includes 16 core units.
2. Maximum 10 credit points can be from Level 1.
3. 8 electives can be from other Faculties.
4. Must pass 6 credit points at Level 3.

For course rules please visit: deakin.edu.au/handbook/h343

Note on ESSA Registration:

H343 Bachelor of Exercise and Sport Science students who have been awarded Credit for Prior Learning for non-university studies, such as credit for prior learning obtained via TAFE study or Deakin College, please note that they may not be eligible for immediate registration with ESSA. This does not mean that ESSA registration is not available to you. What it means is that registration is not automatically granted as a Deakin graduate from the H343 Bachelor of Exercise and Sport Science course. You can still apply to ESSA for membership but you will need to apply on your own directly to ESSA when you have completed your course. Application details can be found on the ESSA website, and you will be required to complete the non-NUCAP form (<https://www.essa.org.au/membership/ways-to-join-essa>). In the application you would need to demonstrate that you have met the exercise science knowledge and skills requirements.

Note for students who are planning on applying for Master of Dietetics course in future: Completing units at other institutions, instead of the approved H718 dietetic pre-requisites units at Deakin is strongly discouraged (even if previously approved as equivalent) as we cannot guarantee that they will be eligible for dietetics, even if Credit for Prior Learning is granted.

Please note the change of unit title from 2019:

HSE302 Exercise Prescription for Diverse Needs
