Parking

Please note that there is no on-campus parking for visitors unless special arrangements have been made. Information about car parking in the surrounding area is available at www.geelongaustralia.com.au/community/parking

On-campus parking for staff and students is also very limited, so you are encouraged to seek alternatives such as public transport, cycling, or carpooling. For more information, visit www.deakin.edu.au/travelsmart/carpooling-intro.php or www.ptv.vic.gov.au.

To park on campus, you will need a parking permit. Staff and students can buy long- or short-term permits from Deakin Central, or day permits from the permit vending machine in Car Park 2. Please note that buying a permit allows you to park in defined zones, but does not guarantee that a space will be available.

Visit www.deakin.edu.au/services/parking for more information.

Smoke-free Deakin

Deakin University proudly provides a smoke-free environment on all its campuses. Visit www.deakin.edu.au/smoke-free for more information.
