1.2 General fee information for all students

Your fees are determined prior to the start of each teaching period (semester/trimester/quarter).

An online invoice will be made available at the start of each teaching period (semester/trimester/quarter). **Paper invoices will not be mailed to you.** It is your responsibility to access your online invoice/s via StudentConnect and check all details carefully. You will receive an SMS, if you have provided a valid mobile telephone number and an email direct to your Deakin email address advising when your invoice is available on StudentConnect.

To access your online invoice select the **Generate your invoice** option under the **Fees and Payments** heading on the StudentConnect sidebar menu. It is your responsibility to ensure that all financial obligations to Deakin University are met on time. Your invoice will show how much you owe and the due date for the payment of your fees.

If you are eligible and have elected to defer your fees via HECS-HELP, FEE-HELP or SA-HELP, you should still generate your invoice and check the details are correct. Your fees can only be deferred if you have provided Deakin University with your Tax File Number (TFN). If you are deferring any of your debt (either through FEE-HELP, HECS-HELP or SA-HELP), check the top right hand corner of your invoice and ensure that a **YES** is recorded for "Tax File Number Supplied". If a **YES** is not displayed contact Customer Service immediately.

If you believe any details on your invoice are incorrect you must contact Customer Service immediately.

1.3 How to pay your fees

You may choose one of the following options:

StudentConnect - you can pay your invoice online by scrolling to the bottom of your invoice and clicking the **Pay Now** button.

BPay – you can print the PDF version of your invoice by scrolling to the bottom of your invoice and clicking the **Print Friendly Version** button. Contact your bank or financial institution to make this payment from your cheque, savings, debit, credit card or transaction account.

In person - you can pay your invoice at the Deakin University Cashiers Office on any Campus by MasterCard, Visa or EFTPOS debit card. **Please note: Cash is not accepted at Deakin Central or the Cashiers Office for payment of student contributions or tuition fees.**

Postbillpay - print the PDF version of your invoice by scrolling to the bottom of your invoice and clicking the **Print Friendly Version** button. You can pay in person at any Australia Post outlet using this invoice, or phone +61 13 18 16 (international call charges apply) or go to www.postbillpay.com.au.

1.4 Non-payment of fees

It is your responsibility to ensure all your financial obligations to Deakin University are met by the due date specified on your invoice. If your financial obligations are not met your enrolment may be discontinued.

1.5 What if I make a change to my enrolment?

Prior to census date you are able to make changes to your enrolment. Once a change has been made you must go to the **Fees and Payment** option on the sidebar menu in StudentConnect and select **Generate your invoice**.

A new invoice will be generated reflecting the changes (if any) to your fees.

1.6 How do I apply for a refund?

If you discontinue or reduce your enrolment on or before census date you are entitled to apply for a refund of any student fees paid for that period. A refund can only be paid where:

- Deakin University has received the money that is to be refunded and the funds have been cleared.
- You have already actioned any enrolment changes.
- The effective date of the enrolment change is on or before census date.
- The payment has not been allocated to other outstanding student fees, eg fees assessed for the following teaching period (semester/trimester/quarter).

If you wish to apply for a refund complete the Application for Refund of Student Fees form available from deakin.edu.au/current-students/study-information/fees or apply in person at Deakin Central on your Campus.

Under normal circumstance refunds will be processed within 15 working days of receipt of your completed application.

Please visit deakin.edu.au/current-students/study-information/fees for more information.

1.7 Remission of debt in special circumstances

In special circumstances, government legislation may provide for students who withdraw from their units after the relevant census date to have their:

- HECS-HELP debt for those units remitted
- FEE-HELP debt for those units remitted
- HECS-HELP debt for a unit consisting wholly of work experience in industry (WEI) remitted
- Up-front payment of a student contribution in respect of a unit consisting wholly of WEI refunded, or
- Tuition fee refunded

A student cannot apply for remission if he or she has successfully completed the unit of study.

To be eligible for remission, the student must apply to Deakin University, in writing, within 12 months of the withdrawal date. If the person has not withdrawn, they must apply within 12 months of the end of the teaching period in which the unit was undertaken or was to be undertaken.

Deakin University will remit any debt if we are satisfied that special circumstances exist and apply to the person that:

- are beyond the person's control
- did not make their full impact on the person until on, or after, the census date, and
- made it impracticable for the person to complete the requirements for the unit during the teaching period the person undertook, or was to undertake the unit.

Please visit deakin.edu.au/current-students/study-information/fees for more information.

1.8 What sort of a student am I?

The relevance of some information in this booklet will be determined by the fee category you fit into. Read the following to determine what type of student you are then go to the relevant section of this booklet for information specific to you:

- **Commonwealth supported student** – you are enrolled in a Commonwealth supported place (CSP) which means the Commonwealth Government provides funding to Deakin University towards the cost of your studies. **See Section 2**
- **Full fee-paying domestic student** – you are responsible for paying the full cost of your studies. This category includes Australian citizens, New Zealand citizens and Australian permanent residents in fee-paying places. **See Section 3**
- **Full fee-paying international student** – you hold citizenship of a country other than Australia or New Zealand. As an international student you are responsible for paying the full cost of your studies. **See Section 4.**

2 Information for Commonwealth supported students

Under the **Higher Education Support Act 2003**, if you hold a **Commonwealth supported place (CSP)** you are required to make a contribution towards the cost of your education. This amount, called the **student contribution** is set by Deakin University according to the discipline cluster in which your unit of study is classified. All student contributions owing are assessed and invoices made available to you for each teaching period.

Who is eligible for a Commonwealth supported place?

To be eligible for a Commonwealth supported place you must:

- be an Australian citizen, or
- a New Zealand citizen or the holder of a permanent visa, and you must be residing in Australia for the duration of your unit(s) of study.

2.1 HECS-HELP

To be eligible for HECS-HELP you must:

- be enrolled in at least one unit as a Commonwealth supported student, and
- be an Australian citizen, or the holder of a permanent humanitarian visa who will be resident in Australia for the duration of the units.

If you are eligible for HECS-HELP assistance you may pay your student contribution in three different ways:

- pay all of your student contribution up-front and receive a discount of 10%
- defer your payment through the taxation system and receive a HECS-HELP loan for your full student contribution, or
- pay some of the student contribution up-front and receive a HECS-HELP loan to defer the balance. Payments over \$500 will receive a 10% discount.

If you are a permanent visa holder or New Zealand citizen you must pay all of your student contribution up-front without a discount by the invoice due date.

Information booklets about HECS-HELP for CSP students are available from all Deakin Central locations or from the Department of Education Employment and Workplace Relations (DEEWR) website:

www.studyassist.gov.au/sites/studyassist/helpfulresources/pages/publications#2012HELPbooklets.

2.2 Commonwealth Assistance Form (CAF)

As a Commonwealth supported student you are required to complete a **Commonwealth Assistance Form (CAF)**. The CAF captures data required by the Federal Government for all CSP students. At Deakin you complete this form online via StudentConnect and the form is known as an **eCAF (electronic CAF)**.

If you are eligible to apply for HECS-HELP, it is at this stage you can elect to either:

- pay up-front and receive a 10% discount on your fees, or
- defer the whole of your debt, or
- pay part up-front and defer the balance.

When does the eCAF need to be completed?

You must complete your eCAF prior to the census dates for your units of study. Census date information can be found at section 1.1 of this booklet or in the Important Dates section of the Handbook, located at:

deakin.edu.au/current-students/handbooks

2.3 Supplying a Tax File Number (TFN)

If you want to defer any part of your debt through the taxation system you **must** provide your **Tax File Number (TFN)**. The TFN is the mechanism by which Deakin University advises the Australian Taxation Office of the debt you are deferring.

Providing your TFN also acts as a safety net. If you have elected to pay up-front, any debt unpaid at census will automatically be deferred and you will pay the debt through the taxation system when your income reaches the threshold level. Your enrolment will not be discontinued in these circumstances.

If you elect to pay your student contributions up-front, but fail to pay or provide your TFN by census date, then Deakin **must** discontinue your enrolment according to the **Higher Education Support Act 2003 (HESA)**.

After providing your TFN via the eCAF process you can generate your invoice via StudentConnect and check the top right hand corner of your invoice to ensure that a **YES** is recorded for "Tax File Number Supplied". If a **YES** is not displayed, contact Customer Service immediately.

2.4 Commonwealth Assistance Notice (CAN)

A **Commonwealth Assistance Notice (CAN)** contains information about your enrolment such as your student contribution amounts, any up-front payments received by the University and any HECS-HELP assistance you have received for the units you were enrolled in as a Commonwealth supported student as at census date. An electronic CAN (eCAN) will be made available to you within 28 days of census date for the relevant teaching period.

CANs at Deakin University are only available online and can be accessed by selecting the **Commonwealth Assistance Notice (eCAN)** link on StudentConnect.

2.5 OS-HELP

OS-HELP is a loan program that provides financial assistance to eligible CSP students who wish to undertake part of their study overseas. If you are eligible, you may borrow up to \$5,824 for 2012, for one or two study periods of overseas study. You are deemed to have incurred an OS-HELP debt when you receive your OS-HELP loan.

An eCAN will be made available to you on StudentConnect within 28 days of the incurral date of your OS-HELP debt.

Please visit deakin.edu.au/current-students/study-information/fees for more information.

2.6 Refund policy for CSP students

The following refund policy applies to all CSP students:

- If you have paid your student contribution up-front you will be entitled to a 100% refund for unit or course withdrawals made prior to and including the census date for the individual unit(s) in each teaching period.
- If you wish to apply for a refund complete the Application for Refund of Student Fees form available from deakin.edu.au/current-students/study-information/fees or apply in person at Deakin Central on your Campus.
- If you have elected to defer your student contribution, you will not incur a HECS-HELP debt for unit or course withdrawals made prior to and including the census date.
- No refund of any amounts paid will be given if you withdraw from a unit or course after the census date for these units.

If you withdraw from a unit after the census date for the unit and have elected to defer your student contribution, you will incur a HECS-HELP debt for that unit.

2.7 Remission of HECS-HELP debt

In special circumstances, the **Higher Education Support Act 2003 (HESA)** provides for students who withdraw from their units after the relevant census dates to apply to have their:

- HECS-HELP debt for those units remitted
- HECS-HELP debt for a unit consisting wholly of work experience in industry (WEI) remitted
- up-front payment of a student contribution in respect of a unit consisting wholly of WEI, refunded
- up-front payment of a student contribution for all other units.

You cannot apply for remission if you have successfully completed the unit of study. To be eligible for remission, you must:

- apply to Deakin University, in writing within 12 months of the withdrawal date, or
- if you have not withdrawn, apply within 12 months of the end of the teaching period in which the unit was undertaken or was to be undertaken.

Deakin University will remit any debt if we are satisfied that special circumstances apply to the person, which:

- are beyond the person's control
- do not make their full impact on the person until on, or after, the census date, and
- make it impracticable for the person to complete the requirements for the unit during the teaching period when the person undertook, or was to undertake, the unit.

Your application must include independent supporting documentation, for example, a letter from your doctor or counsellor, to support your claims.

Please visit deakin.edu.au/current-students/study-information/fees for more information.

2.8 How do I repay HECS-HELP?

You begin repayments of your accumulated HELP debt when your income exceeds the nominated threshold (\$47,915 for the 2011-2012 tax year).

You can make voluntary payments at any time after the Australian Taxation Office (ATO) has received your debt details from Deakin. Voluntary payments made to the ATO over \$500 will attract a 5% bonus. This means that if you pay an amount over \$500 your debt will be reduced by that amount plus an extra 5% of the amount paid.

Information booklets about HECS-HELP for CSP students are available from Deakin Central or on the DEEWR website: www.studyassist.gov.au/sites/studyassist/helpfulresources/pages/publications#2012HELPbooklets.

Off-campus international students will be liable for other university fees and charges applicable to their study in addition to the tuition fees.

A deposit on an award course place following a Pathway Program* applies to prospective international students, where the Department of Immigration and Citizenship (DIAC) requires those students to apply for both a pathway program and a substantive award program in order to obtain a student visa that covers the total duration of both programs. When the student enrolls in the award course the deposit is used as part payment of the first teaching period's tuition fees.

* A Pathway Program allows a student to undertake studies in order to meet the entry requirements of the award course.

4.7 Transfer of fees

If you are an international on-campus student and you transfer to another institution, funds paid to Deakin will be transferred to the other institution when you provide evidence of acceptance by the other institution. Such transfers will not be made directly to you. No transfer of fees will be made to another English-language-teaching (ELICOS) centre.

4.8 Change of residency status

Should you obtain Australian permanent resident status before your initial enrolment the offer of a fee-paying international place will be withdrawn. If you wish to continue with your application to study at Deakin University, you must apply for admission into a Commonwealth supported place or a domestic fee-paying place in competition with Australian citizens and other permanent residents, and you will be subject to the same selection criteria applicable to these applicants.

If you obtain Australian permanent resident status during the first teaching period of your enrolment, you will still be classified as an international student for the remainder of that teaching period. If you wish to continue to study in subsequent teaching periods, you must apply for admission to a Commonwealth supported place or a domestic fee-paying place in competition with Australian citizens and other permanent residents, and be subject to the same selection criteria applicable to all applicants.

4.9 Refunds

Commencing international students

You are a **commencing** international student if you are in your first period of study at Deakin University.

The following refund policy will apply:

- For those new international students who have withdrawn after paying their fees, the refund policy allows that:
 - a 90% refund is payable if the student withdraws from unit(s) at least 4 weeks prior to the start of the teaching period,

- a 50% refund is payable if the student withdraws between 4 weeks prior to the start of the teaching period and the census date of the relevant unit(s), and
- no refund is payable if the student withdraws after census date.
- For those withdrawing having not paid their fees:
 - enrolment will be discontinued for non-payment of fees, but they will not incur a debt of 50% of tuition fees.

The retention of 10% of the fees for commencing students is in recognition of the additional costs involved in administering the initial enrolment of international students.

Continuing international students;

The following refund policy will apply if you are a **continuing** international student:

- If you are withdrawing and have paid your fees:
 - a 100% refund if withdrawal from the unit(s) is prior to the start of the third week of the teaching period
 - a 50% refund if withdrawal from the unit(s) is between the start of the third week and the census date for the unit(s), and
 - no refund if withdrawal from the unit(s) is after census date.
- For those withdrawing having not paid their fees:
 - enrolment will be discontinued for non-payment of fees, but they will not incur a debt of 50% of tuition fees.

All international students

No fees will be retained by Deakin University if one of the following circumstances applies:

- You withdraw from a unit on the advice of a Faculty Enrolment Officer before the census date for that unit, and you do not enrol in a replacement unit.
- You are refused a student visa by the Commonwealth Government.
- You changed residency status before the census date for the units in which you are enrolled and are not offered a Commonwealth supported place or an Australian fee-paying place at Deakin University.
- Your offer is withdrawn or your enrolment cancelled because Deakin University is unable to provide the course of study.
- Deakin University changes the course structure and is unable to offer unit(s) so you are prevented from studying those unit(s) and no credit is given towards other unit(s).
- The course does not commence on the agreed start date and you still have a status of enrolled.
- The Commonwealth Government has prevented Deakin University from conducting courses for overseas students.

If you wish apply for a refund complete the Application for Refund of Student Fees form available from deakin.edu.au/current-students/study-information/fees or apply in person at Deakin Central on your Campus.

Consistent with the ESOS Act, the University's refund policy for international students does not remove your right to take further action under Australia's consumer protection laws and other legal remedies.

4.10 Remission of tuition fees

If you withdraw from your units after the relevant census dates you can, in **special circumstances**, apply to have your up-front payments refunded.

You cannot apply for a remission if you have successfully completed the unit of study. To be eligible for a remission you must:

- apply to Deakin University in writing within 12 months of the withdrawal date, or
- if you have not withdrawn, apply within 12 months of the end of the period of study in which the unit was undertaken or was to be undertaken.

Deakin University will refund your up-front payment if we are satisfied that special circumstances apply to you that:

- are beyond your control
- do not make their full impact on you until on, or after, the census date, and

- make it impracticable for you to complete the requirements for the unit during the period during which you undertook, or were to undertake, the unit.

Your application should include any independent supporting documentation, for example, a letter from your doctor or counsellor, to support your claims.

5 Information for all domestic students – Student services and amenities fee

5.1 Student services and amenities fee (SSAF)

The Student services and amenities fee (SSAF) is a fee levied on students for student services and amenities of a non-academic nature. Eligible students are able to defer the payment of this fee through a Higher Education Loan Program (HELP) scheme called SA-HELP similar to FEE-HELP and HECS-HELP.

These student services may include (but not limited to):

- supporting a sporting or other recreational activity by students
- supporting the administration of a club most of whose members are students
- caring for children of students
- providing legal services to students
- promoting the health or welfare of students
- helping students secure accommodation
- helping students obtain employment or advice on careers
- helping students with their financial affairs
- helping students develop skills for study
- advocating students' interests in matters arising under the University's rules

Whilst this fee is compulsory, no student will be forced to join any student organisation or union and the legislation expressly prohibits fee revenue being used to support a political party.

A summary of the Student services and amenities fee for 2012 is detailed in the table below:

Student type	Enrolment	Amount
Domestic on-campus undergraduate and postgraduate students*	Full time (3 credit points or more)	\$87 per trimester/semester
	Part time (less than 3 credit points)	\$55 per trimester/semester
Domestic off-campus undergraduate and postgraduate students*	Full time and part time	\$42 per trimester/semester

* International students will not be charged this fee in 2012 as their fees include a component for the provision of services required under the Education Services for Overseas Students Act, presently \$22 per credit point.

The SSAF is calculated based on your study load for the applicable study period. Any adjustments to your enrolment prior to the census date may result an increase or decrease the amount owed. You are encouraged to access your online invoice each time you vary your enrolment.

5.2 SA-HELP

SA-HELP is a loan scheme that assists eligible students to pay their SSAF. Eligible students can choose to defer all or part of their fee for the relevant year.

Am I eligible for a SA-HELP loan?

To receive a SA-HELP loan, you need to:

- be an Australian citizen or holder of a permanent humanitarian visa
- be enrolled in a course of study with a provider
- meet the tax file number (TFN) requirements by giving your provider either your TFN or a Certificate of application for a tax file number from the Australian Taxation Office (ATO) as proof that you have applied for a TFN (you can obtain this document from the ATO)
- have lodged your Request for SA-HELP assistance form by the relevant study period census date.

5.3 How do I repay SA-HELP?

You begin repayments of your accumulated HELP debt when your income exceeds the nominated threshold (\$47,915 for the 2011-2012 tax year).

You can make voluntary payments at any time after the Australian Taxation Office (ATO) has received your debt details from Deakin. Voluntary repayments made to the ATO over \$500 will attract a 5% bonus. This means that if you pay an amount over \$500 your debt will be reduced by that amount plus an extra 5% of the amount paid.

Information booklets about SA-HELP are available from Deakin Central or on the DEEWR website: www.studyassist.gov.au/sites/studyassist.

5.4 Refund policy for the Student services and amenities fee

The following **refund** policy will apply to SSAF:

- If you have paid your SSAF up-front you will be entitled to a 100% refund if you withdraw from your course, or all units of study, on or before the census date for that teaching period.
- If you wish to apply for a refund complete the Application for Refund of Student Fees form available from deakin.edu.au/current-students/study-information/fees, or apply in person at Deakin Central on your Campus.
- If you have elected to defer your SSAF through the tax system, you will not incur a SA-HELP debt if you withdraw from your course, or all units of study, on or before the census date for the applicable teaching period.
- You are not eligible for a refund of any amount paid for your SSAF if you withdraw from your course, or all units of study, after the census date in the applicable teaching period.
- If you have elected to defer payment of your SSAF you will incur a SA-HELP debt if you withdraw from your course, or all units of study, after the census date in the applicable teaching period.

6 Information for all students - encumbrance and termination of enrolment

6.1 Encumbrance

An encumbrance is a restriction placed on your enrolment if you fail to meet specified due dates and conditions of payment for your fees or charges.

These fees and charges include tuition fees, library loans, residential fees, student loans or other administrative charges. For example, an encumbrance will be placed on your enrolment if the Home Electronics Laboratory Pack kit is not returned in full and proper working order.

Encumbrances may limit your access to services provided by Deakin University, including library access, access to assessment results, enrolment variations, academic transcripts and approval to graduate.

You should also be aware an encumbrance will be applied to your enrolment if you have an overdue tuition fee debt between \$30 and \$300 in any teaching period.

Please visit deakin.edu.au/current-students/study-information/fees for more information.

6.2 Discontinuation of enrolment

If you have breached specified due dates and you owe more than \$300 in any teaching period your enrolment will be **discontinued**.

When your enrolment is discontinued you lose access to all Deakin University services including DSO, email, StudentConnect and the library.

If your enrolment is discontinued for non-payment of fees you can apply to Deakin University for re-instatement of your enrolment in the same academic year provided that you pay all outstanding fees and charges, and do not hold a CSP. A re-instatement charge (see 6.2 for explanation) will also apply. The application for re-instatement must be made **within two weeks of your enrolment being discontinued. Your enrolment will not be re-instated into the teaching period after this time.**

For CSP students, if your enrolment is discontinued for non-payment of an up-front student contribution and you have not provided your tax file number, you **cannot** have your enrolment re-instated for that teaching period. This is in accordance with Commonwealth legislation.

6.3 Re-instatement after voluntary withdrawal from your course

If you voluntarily withdraw from studies while owing fees you may apply for re-instatement of your enrolment in the same academic year provided you pay any outstanding fees and charges.

6.4 Re-admission in subsequent years
