D302 BACHELOR OF VISION SCIENCE/MASTER OF OPTOMETRY

FACULTY OF HEALTH

D302 course rules - In order to qualify for the award of Bachelor of Vision Science/Master of Optometry (D302), students must complete 40 credit points, which must include the following:

A total of 24 credit points taken over six trimesters of study towards the Bachelor of Vision Science;

A total of 16 credit points of study towards the Master of Optometry; and

Completion of HAI010 Academic Integrity (0-credit-point compulsory unit) in first trimester of study.

GENERAL INFORMATION

This course map is a guide only. You must, in addition to using this map, ensure you meet the course rules and structure as set out in the official University Handbook - of the year you commenced your course (deakin.edu.au/handbook). This course map has been created to be used electronically.

Not all units are available in all study periods or mode of delivery. Full time study is typically three to four units (or credit points) each study period – this is a typical enrolment pattern. Part time study is typically one to two units (or credit points) each study period – this enrolment pattern of study will extend the duration of your studies. Trimester 3 is typically an optional study period - unless it's your first study period and/or a compulsory study period for your course (see your course structure in the [Handbook](#)).

Each year's unit offerings options can be found via 'Advanced Unit Search' in the most current year's Handbook.

If you have applied for or received credit for units as recognition of your prior learning (**RPL**), it may alter your course pattern and the units you need to undertake.

Please seek advice from a Student Adviser in StudentCentral if you have any queries or need help understanding your course structure and unit choices.

SPECIFIC COURSE INFORMATION

Compulsory zero (0) credit point units/programs/modules - HAI010 Academic Integrity (0-credit-point compulsory unit) Trimester 1 2020; SLE010 Laboratory and Fieldwork Safety Induction Program (0 credit points) Trimester 1 2020.

*Students who have undertaken Chemistry at Year 12 level (or equivalent) will enrol in SLE155 Chemistry for the Professional Sciences. Students who have not undertaken Year 12 (or equivalent) Chemistry will enrol in SLE133 Chemistry in Our World. (Only offered in Trimester 1).

See student advisor before Trimester 1.

**Please do not enrol in MAA103 Accounting for Decision Making. Because it is unique for D302, Faculty of Health staff will enrol all students in this unit.
