GENERAL INFORMATION

This course map is a guide only. You must, in addition to using this map, ensure you meet the course rules and structure as set out in the official University Handbook - of the year you commenced your course (deakin.edu.au/handbook). This course map has been created to be used electronically.

Not all units are available in all study periods or mode of delivery. Full time study is typically three to four units (or credit points) each study period – this is a typical enrolment pattern. Part time study is typically one to two units (or credit points) each study period – this enrolment pattern of study will extend the duration of your studies. Trimester 3 is typically an optional study period - unless it's your first study period and/or a compulsory study period for your course (see your course structure in the [Handbook](#)).

Each year's unit offerings options can be found via 'Advanced Unit Search' in the most current year's Handbook.

If you have applied for or received credit for units as recognition of your prior learning (**RPL**), it may alter your course pattern and the units you need to undertake.

Please seek advice from a Student Adviser in StudentCentral if you have any queries or need help understanding your course structure and unit choices.

SPECIFIC COURSE INFORMATION

Compulsory zero (0) credit point units/programs/modules: MAI010 Academic Integrity (0-credit-point compulsory unit) to be completed in first Trimester of study.
