D301 BACHELOR OF NUTRITION SCIENCE/BACHELOR OF COMMERCE

FACULTY OF HEALTH/FACULTY OF BUSINESS AND LAW

D301 course rules - In order to qualify for the award of Bachelor of Nutrition Science/ Bachelor of Commerce (Marketing) (D301), students must complete 32 credit points, which must include the following:

16 credit points of core units from the Bachelor of Nutrition Science

16 credit points from the Bachelor of Commerce, including 8 credit points of core units

A Commerce Major sequence as prescribed

At least 4 credit points at Level 3 (which must be course grouped to a Faculty of Business and Law undergraduate degree)

HAI010 Academic Integrity (0-credit-point compulsory unit)

SLE010 Laboratory and Fieldwork Safety Induction Program (0-credit-point compulsory unit)

HSN010 Food and Nutrition Laboratory Safety (0-credit-point compulsory unit)

GENERAL INFORMATION

This course map is a guide only. You must, in addition to using this map, ensure you meet the course rules and structure as set out in the official University Handbook - of the year you commenced your course (deakin.edu.au/handbook). This course map has been created to be used electronically.

This course map is a typical enrolment pattern for full time study. To study part time you would typically undertake two or fewer units each trimester/semester, which will extend the duration of your studies. Trimester 3 is optional.

Each year's unit offerings options can be found via 'Advanced Unit Search' in the most current year's Handbook.

If you have applied for or received credit for units as recognition of your prior learning (**RPL**), it may alter your course pattern and the units you need to undertake.

Please seek advice from a Student Adviser in StudentCentral if you have any queries or need help understanding your course structure and unit choices.

SPECIFIC COURSE INFORMATION

Compulsory zero (0) credit point units:

When you see a credit point unit that has a co-req (co-requisite) unit listed next to it, this indicates that you need to enrol in the co-requisite unit in the same trimester as the credit point unit. You only need to complete these co-requisite units once in your degree.

For example: HSN106 has the co-req HSN010, this means you need to enrol into HSN010 in the same trimester as HSN106. You would not need to complete HSN010 again in your degree.

The following co-requisite units need to be completed in your degree:

Year 1, Trimester 2 - HAI010 Academic Integrity & HSN010 Food and Nutrition Laboratory Safety

Year 2, Trimester 1 - SLE010 Laboratory and Fieldwork Safety Induction Program Compulsory zero (0) credit point units/programs/modules:

HAI010 Academic Integrity (0-credit-point compulsory unit) Trimester 2 2019; SLE010 Laboratory and Fieldwork Safety Induction Program (0 credit points) Trimester 1 2020 and HSN010 Food and Nutrition Laboratory Safety (0 credit points) Trimester 2 2019.
