Updated: 29/03/2021

This course is a combination of units taught in the trimester study period where you self-enrol, and credential units, which are a manual enrolment process.

Credentials have twelve entry points per year and you will have six months to complete a credential from the time of enrolment.

Students must successfully complete four Professional Practice credentials which include two core credentials plus two Leadership Specialist Knowledge credentials.

Successful attainment of Professional Practice credentials is based on evidence provided from professional practice, hence recognition through authentic learning experiences. All professional practice credentials are linked to the Deakin Graduate Learning Outcomes and will be assessed within the context of the leadership discipline. The credentials may be attempted separately or simultaneously and are assessed by an assessment panel that includes both academic and industry representatives.

We have provided a recommended sequence that will allow you to move through the course.

Credentials usually take 2-4 weeks to prepare and submit and up to 5 weeks for video testimony, assessment and result. You can withdraw from credential units before the census date.

When you are ready to enrol in your credential units, please contact a student adviser or [students@leadership.deakin.edu.au](mailto:students@leadership.deakin.edu.au). [Learn more about the details of each credential.](#)
